Comments:

Throughout his seven years, Simply Maserati has had an exceptional show record. During the past three years, "Spider" has been awarded five Grand National and World titles. In 1996 not only was he the Grand National Youth Park Saddle and Youth Park Harness Champion by a unanimous vote in both classes, but he was also named Reserve World Open Park Saddle Champion. 1998 was another exciting year: he was named World Amateur Park Saddle Champion. 1998 also marked the debut of his oldest son, And The Beat Goes On. The striking three-year-old black colt made quite an impression by taking home the roses in both Three-Year-Old World Futurity Park Harness and World Champion Three-Year Old Park Harness. Both wins were unanimous. Maserati has already proven himself in the show ring and appears to be passing on his beauty, talent and personality to his offspring.
